Vitamin-C Antioxidants Prevent:	The SkinCeuticals' Vitamin-C Antioxidant line is the backbone of the company. Clinical studies prove antioxidants effectively neutralize free radicals generated when skin is exposed to environmental insults. Latest research shows that sunscreens only block 45% - 55% of free radicals. When used together, antioxidants and sunscreens provide almost complete photoprotection –preventing the appearance of fine lines and wrinkles, and promoting good skin health.					
	Phloretin CF	Normal to Oily	2% Phloretin, 10% pure L-ascorbic acid, .5% Ferulic acid	Broad spectrum antioxidant that displays a wide range of bioactivities like anticancer, antifungal, antibacterial, antiviral, and anti-inflammatory. Both preventative and corrective, it stimulates collagen synthesis, protects cellular DNA and accelerates cell renewal.	Daily, in the AM	\$152.00
	CE Ferulic	Normal to Dry	15% pure L-ascorbic acid, 1% Alpha tocopherol (Vitamin E), .5% Ferulic acid	Provides an unprecedented 8 times the skin's natural protection against photoaging. Reduces sunburn cells up to 96% in UV irritated skin. Reduces thymine dimmers. Maximum anti-aging results. Once absorbed, cannot be washed/rubbed off, remaining protective for up to 3 days.	Daily, in the AM	\$142.00
	Serum 20 AOX+	Oily	20% pure L-ascorbic acid Ferulic Acid	Highest strength of L-ascorbic acid; helps protect against photodamage, UVA/UVB rays, and stimulates collagen. Once absorbed, cannot be washed/rubbed off, remaining protective for up to 3 days.	Daily, in the AM	\$116.00

	Serum 10 AOX+	Sensitive, Acne	10% pure L-ascorbic acid Ferulic Acid	Helps to protect against photodamage, UVA/UVB rays, and stimulates collagen. Once absorbed, cannot be washed/rubbed off, remaining protective for up to 3 days.	Daily, in the AM	\$84.00
	Eye Gel AOX+	All Types	5% pure L-ascorbic acid Ferulic Acid	Ideal for the delicate skin around the eyes (or entire face). Helps to protect against photodamage, UVA/UVB rays, and stimulates collagen.	Daily, in the AM	\$60.00
Correct:	Signs of aging can be the result of collagen breakdown, slower cell turnover, and loss of moisture. Damage is intensified by sun exposure, environmental elements, and smoking. A strong preventative program is critical to prevent further damage from these assaults and help slow down the aging process. SkinCeuticals corrective line combine reparative, lightening, and exfoliating ingredients to help rehabilitate damaged skin, restoring a healthier and more youthful appearance.
